2011 Juniper Housing Corporation Annual Report

1 Introduction

The Juniper Housing Corporation (JHC) Board of Director is pleased to present the 2011 annual report. The primary purpose of JHC is the ownership and operation of Juniper Manor. Juniper Manor is a 43 unit affordable senior housing complex located on 408 Avenue F South.

2 Building Development and Operation

Construction of Juniper Manor started in July, 2007 when a design-build contract for the value of \$3.94M was awarded to Northridge Development Corporation of Saskatoon. The 43 unit building was substantially completed in December 2008. Following occupancy clearance from the City, the first tenant started to move into the building between December, 2008 and January 2009. An official grand opening was held on January 2009. The event was attended by the general public, community associations leaders and representatives of Federal, Provincial and Municipal government.

Since substantial completion, Juniper with approval from the Board has undertaken building improvements. Some of these improvements were deleted from the capital construction due to budget constrain. Example building improvements include conversion of 110V to 220V power in studio units in the basement and purchasing of fitness equipment in the recreation room. The cost fitness equipment was paid for by a City of Saskatoon Sask. Lottery Grant.

In 2011, some of the capital and maintenance improvements include:

- Installation of a security camera system;
- Replacement of toilet flushing mechanism, hot plate burner and apartment freezers in a number of units. Installation of door knobs on all cabinets.
- Major repair and renovation to one -1 bed room unit due to lack of care by tenant;
- Repair of internal plumbing leaks and the south fence.

The above improvements plus other day to day maintenance activities by our staff allows Juniper Manor to remain in good condition. The Board has also passed a motion to establish a building reserve fund in anticipation of future major repairs such as replacement of carpet, flooring, windows, etc.

On street parking has been an issue at Juniper. Complaints have been received from neighbours and the City. The Property Manager and the Board has been reviewing short/long term options to resolve this issue.

3 Juniper Manor Organization and staff

The overall management of Juniper Manor is the responsibility of the Board of Directors. The Bylaw for Juniper Housing Corporation allows a maximum of eight (8) board members. The 2010 board consists of four (4) members:

Mr. Abraham Yuen and Ken Mack retired after many years of service. Mr. Garry Mak and Lionel Wong have agreed to act as Co-Chairs.

The day to day operation of Juniper Manor is under the direction of the Property Manager (PM). The Property Manger reports to the Board of Director. Juniper hired two temporary property managers during the latter part of building development stage and up until June 2009 to assist the Board. In 2011, our third Property Manager moved due to family reasons. Juniper conducted a search and was successful in hiring a new Property Manager in October, 2011. Juniper Manor is developed to meet the needs of low income seniors and immigrants. We have a total of 43 units. The following guidelines were established by the Board:

Seniors (65 years or older) – The annual income for a single person or a couple must not exceed \$45,000 as determined by actual tax filing with the Canada Revenue Agency (CRA). In the event that there are surplus units that not occupied, the Board may decide at its discretion to lower the qualifying age of senior in order to utilize Juniper Manor fully.

Immigrant – Must be landed immigrant eligible for Canadian Citizenship. The purpose of affordable immigrant housing is to assist settlement of newly arrived immigrant. To ensure the units are not occupied over a long term, the length of stay by qualified immigrant is limited to 3 years.
